Leaders in Crop Protection

Active Ingredient

Contains 400 g/Lt. Buprofezin (40% w/w)

Formulation

Suspension Concentrate (SC)

Mode of Action

Applaud affects both the nymphs and the adult through vapour action, stomach and contact poisoning

Effect on larvae /nymph

Applaud kills the larvae / nymphs of the target insect through inhibition of moulting.

Effect on adults

Applaud causes suppression in laying eggs and /or laying of unhatchable eggs in adults.

Spectrum of control

Hemiptera species such as whiteflies, scales, mealybugs, planthoppers and leafhoppers.

Crop Recommendation

CROP	TARGET PEST	DOSAGE (L/HA)	PRE-HAVEST INTERVAL (DAYS)	MAXIMUM NO OF SPRAYS PER SEASON	METHOD OF USE
Citrus	Mealybugs, Scales, Whiteflies	1.0	7	3	Foliar Spray
Passion Fruit	Mealybugs	0.75	7	3	Foliar Spray
Other Fruit Trees	Whiteflies, Planthoppers	0.75	14	3	Foliar Spray
Flowers	Whiteflies	0.5 - 1.0	-	3	Foliar Spray
Tomatoes	Whiteflies	0.75 - 1.0	3	3	Foliar Spray
Cucumbers	Whiteflies	0.75 - 1.0	3	3	Foliar Spray
Onions	Whiteflies	0.75 - 1.0	3	3	Foliar Spray
French Beans	Whiteflies	0.75 - 1.0	3	3	Foliar Spray

Compatibility

Applaud is compatible with a wide range of pesticides such as **Duduthrin and Twiga Ace**. However, do not tank mix with any product unless your own prior testing has shown that the combination is physically compatible, effective and non injurious under your condition.

Main Advantages

- **Applaud** shows a high level of activity against Hemiptera group of insects such as whiteflies, scales, planthoppers, mealybugs and leafhoppers causing them to die at moulting stage.
- Causes suppression in the ovipositioning and /or cause insects to oviposition unhatchable eggs.
- **Applaud** reduces the population of nymphs and adults in the next generation and prevents the development of the insect with a long lasting effect.
- **Applaud** is highly selective even in Homopterous insects and has no effect on Lepidopterous, Dipterous and Hymenopterous insect hence an advantage for use in integrated Pest Management Programs.

Available Pack

1 Litre.

Safety Precaution

Do not smoke, drink or eat while using this product. Wear safety goggles and protective clothing when handling the product. After application wash yourself and your work clothes.

Toxic to fish and aquatic invertebrates. Do not contaminate water sources by disposal of the product waste.

CAUTION

ALWAYS READ THE LABEL BEFORE USING APPLAUD
